MMR / DEALER CHECKLIST

A Twelve-String Needs a Longer Conversation

Match the sound to the player, then check the instrument as a complete working setup.

Purpose

Primary instrument / accompaniment / recording / ensemble role / expected repertoire.

Model record

Maker/model / course order / intended tuning / approved fitted set / source of specification.

Player test

Open chords / chord changes / arpeggio / barre if relevant / seated or standing comfort.

Instrument check

Course tuning / clean notes / setup or condition concerns / amplified test and power where applicable.

Handoff

String specification / case / service contact / work completed / questions still requiring maker or technician response.

Name / class or store: _____ Date: _____
