MMR / DEALER CHECKLIST

A Guitar Evaluation You Can Repeat

A practical record for comparing an instrument, its condition, and the complete purchase.

Purpose and example

Intended use / exact model and unit / handedness / new, used, modified, or demo / tuning / strings known or unknown.

Player fit

Seated and standing needs / reach / balance / controls / player observations.

Observed condition

Visible issues / play test locations / symptoms / technician referral and outcome. Keep observations separate from diagnosis.

Comparable test

Chord passage / single-note phrase / dynamics / amplification and settings / differences in conditions.

Decision and cost

Reason for choice / remaining limits / included accessories and service / dated quote / current warranty and store terms.

Name / class or store: _____ Date: _____
